## ICT DEVICE CONSENT FORM

This ICT Device Consent Form must be signed and returned prior to students being granted access to an ICT device, eg Notebook Computer.

Parents/Legal Guardians are encouraged to review and discuss the contents of the **attached** *Acceptable Use of Computer and Internet Resources* and *ICT Device Guidelines* with the student and answer any questions that they may have.

By signing this Consent Form, both Parents/Legal Guardians and students:

- i. Agree that the terms of usage as set out in the *Acceptable Use of Computer and Internet Resources* and *ICT Device Guidelines* shall apply to all use of the device at all times, including use outside school and at home; and
- ii. Acknowledge that they will be responsible in the event of any breach and that appropriate disciplinary action may result.

Any queries in relation to this material should be directed to the school principal.

### User Acceptance

I, the student named below hereby agree to comply with all requirements as set out in the *Acceptable Use of Computer and Internet Resources* and *ICT Device Guidelines* statement and all other relevant laws and restrictions in my usage of the Notebook Computer at all times including use outside school and at home.

### Parent/Guardian Consent

As the parent or legal guardian of the student named above, I grant permission for the student named above to use the ICT device.

I understand that access is granted to students subject to the restrictions contained in the *Acceptable Use of Computer and Internet Resources* and *ICT Device Guidelines* and that if breached, appropriate consequences may follow.

I acknowledge that:

- i. The School/College does not require students to have access to the internet at home in order to utilise the ICT device or to participate in school learning activities;
- ii. Where the student does use the device to access the internet through internet access other than at the School/College, the School/College does not control or monitor such access, and it is my responsibility to supervise any internet access other than at the School/College using the device;
- iii. Some material available on the internet may be objectionable and in addition to the *Acceptable Use of Information and Communications Technology Resources* statement, I have discussed appropriate restrictions with the student when accessing or sharing information or material over the internet; and
- iv. The School/College has provided me with references to cyber-safety training material and information about internet service provider offerings for home internet filtering.
